

The Home of Champions

HOLE: #1

PAR: 4

Professional	402
Champion	341
Regular	301
Forward	255
Handicap	13

You will want to favor the left side of the fairway off the tee. Distance is not crucial, so hit whatever shot you feel comfortable with off the tee. Your approach shot into the green is best when left below the hole, trouble looms behind the green.

The Home of Champions

HOLE: #2

PAR: 4

Professional	323
Champion	296
Regular	259
Forward	208
Handicap	17

This short hole is deceiving, a shot into the bunker will turn an easy hole into a difficult hole. Lay up short of the bunker with a fairway wood or long iron. When you approach from the left side of the fairway the green opens up.

The Home of Champions

HOLE: #3

PAR: 4

Professional	423
Champion	373
Regular	333
Forward	266
Handicap	11

Placing your tee shot on the right side of the fairway is the safest route to a par. A fairway bunker on the left will grab a long tee shot and leave you with a blind approach shot. One of Pete Dye's famous pot bunkers guards the front left of this green.

The Home of Champions

HOLE: #4

PAR: 4

Professional	420
Champion	389
Regular	366
Forward	288
Handicap	3

Attempt to play down the left side of the fairway or even in the left rough. The prevailing wind will take your ball to the center of the fairway. This hole is listed as the number one handicap for a reason. Avoiding the water on the left side makes par a good score.

The Home of Champions

HOLE: #5

PAR: 4

Professional	493
Champion	462
Regular	421
Forward	363
Handicap	1

Let it rip, your target is the left center. This will avoid ending up in the fairway bunkers on the right side. Make sure you have enough club to carry the hidden bunkers in front and to the right of the green.

The Home of Champions

HOLE: #6

PAR: 3

Professional	209
Champion	176
Regular	157
Forward	131
Handicap	7

The center of the green is a safe place. Shots to the left tend to bounce and end up on the putting surface. Shots to the right leave you with a very difficult sand shot.

The Home of Champions

HOLE: #7

PAR: 3

Professional	155
Champion	134
Regular	117
Forward	89
Handicap	15

Be sure to use plenty of club when the flag is located on the left side of the green. Deep grass bunkers surround all but the front of this green.

The Home of Champions

HOLE: #8

PAR: 4

Professional	380
Champion	323
Regular	323
Forward	268
Handicap	9

Don't let the sand and railroad ties distract you. There is more room to the right than it appears for your tee shot. Use plenty of club for your approach shot when the flag is on the back portion of the green.

The Home of Champions

HOLE: #9

PAR: 4

Professional	446
Champion	399
Regular	352
Forward	284
Handicap	5

Aim left, aim left, aim left! From the left center of the fairway continue to aim left to avoid the lake. Pay close attention to the flag position, this green is three clubs deep.

The Home of Champions

HOLE: #10 **PAR: 4**

Professional	498
Champion	478
Regular	440
Forward	409
Handicap	2

Long hitters may carry the bunkers on the left side, but being in the fairway is most important. Left on your second shot will give you a clear view of the green.

The Home of Champions

HOLE: #11 **PAR: 4**

Professional	410
Champion	363
Regular	363
Forward	300
Handicap	16

Left center is ideal, a long tee shot may put you in the straight away bunker. Bunkers located on the right side of the fairway can lead to very large scores.

The Home of Champions

HOLE: #12 PAR: 3

Professional	209
Champion	161
Regular	146
Forward	106
Handicap	12

This elevated green can be difficult, be sure to use enough club so you land the ball on the green. The left side is jail without a key.

The Home of Champions

HOLE: #13 **PAR: 4**

Professional	350
Champion	308
Regular	243
Forward	199
Handicap	18

Don't be fooled by the yardage. A long drive may leave you a difficult chip shot over a pot bunker to a very small green. Your best approach shot will be either a three quarters wedge or a full shot.

The Home of Champions

HOLE: #14 PAR: 5

Professional	527
Champion	488
Regular	456
Forward	402
Handicap	10

This is a good par five. The key to success is placing your second shot. Just short of the fairway bunker on the left will leave you an approach shot of around 100 yards.

The Home of Champions

HOLE: #15 **PAR: 4**

Professional	457
Champion	419
Regular	383
Forward	308
Handicap	4

Check your alignment. A shot placed down the left rough or fairway will give you the best chance for par. This elevated green requires an extra club to carry the ball to the center portion of the green.

The Home of Champions

HOLE: #16 **PAR: 3**

Professional	248
Champion	217
Regular	175
Forward	132
Handicap	8

A LOT OF WATER. We recommend that you use the safe route - a good chip shot will allow you to save par and avoid disaster. This hole has altered a lot of career rounds.

The Home of Champions

HOLE: #17 PAR: 5

Professional	581
Champion	537
Regular	438
Forward	417
Handicap	14

A three, four, or five shot hole for most golfers, this long par five should be approached from the left side to have a clear view of the green. Lots of bunkers guard the front of the green.

The Home of Champions

HOLE: #18 **PAR: 4**

Professional	471
Champion	424
Regular	398
Forward	340
Handicap	6

The fairway is much larger than it appears, hidden bunkers on the right side make accuracy a must. A very long second shot over water may have you consider laying up on the right side. Even the collegiate golfers find this hole challenging
